INTERVIEW SUMMARY

While no fees should be required for entry of this response, if any fees or charges are required, the Commissioner is hereby authorized to charge them to Deposit Account 18-1167.

The Examiner supplied a Form PTO-413 with the Notice of Allowance mailed 14 September 2005. As such, Applicant is submitting a separate record of the substance of the interview. However, Applicant agrees with the Examiner's summary of the interview.

On 8 September 2005 the undersigned conducted a telephone interview with the Examiner, initiated by the Examiner. No exhibits were shown or demonstrated. No

prior art was discussed. The main issue discussed was the antecedent basis issue for claim 21, and the replacement of "wheel" with "tire" in some limitation of claims 21, 27. Authorization for an Examiner's amendment was given in accordance with that summarized by the Examiner (except claim 21, line 1 was "vehicle" no "vewhicle"). No additional arguments were presented.

Respectfully submitted,
COATS & BENNETT, P.L.L.C.
